### Think This Over

This Offer Should Gain the Confidence of the Most Skeptical

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all the risk. You are not obligated to us in any way whatever, if you accept our offer. That's a mighty broad statement, but we mean every word of it. Could anything be more fair for you?

A most scientific, common-sense treatment is Rexall Orderlies, which are eaten like candy. Their active principle is a recent scientific discovery that is odorless, colorless, and tasteless; very pronounced, gentle, and pleasant in action, and particularly agreeable in every way. Its ingredient does not cause diarrhoea, nausea, flatulence, griping, or other inconvenience. Rexall Orderlies are particularly good for children, aged and delicate persons.

If you suffer from chronic or habitual constipation, or the associate or dependent chronic ailments, we urge you to try Rexall Orderlies at our risk. Remember you can get them in Yale only at our store. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold only at our store.—The Rexall Store, Grant Holden.

### Slaughter of Fish.

In northern waters millions of fish are ground into nothing by the moving masses of ice.

### Man at His Heaviest Weight.

A man generally reaches his heaviest weight at 40 years.

### Take Care!

When the kidneys are affected, life is in danger. Read what Foley Kidney Pills have done for your neighbor. Mrs. Chas. Adam, Port Huron, Mich., says: "I had been troubled with kidney trouble for some time, but on hearing of Foley Kidney Pills I secured a supply, and began taking them. Before using them I had severe backaches and shooting pains in the sides, and at times would have nervous headaches that left me dizzy and weak. The kidneys were so weak that I had great trouble in controlling them. The use of Foley Kidney Pills according to directions for a short time cured me entirely of all these troubles, and my kidneys and bladder are in good healthy condition once more. Foley Kidney Pills will always receive my recommendation. Pollock and Hennessy."

### Almost Incredible Age.

Neha Turatavi, a peasant woman at Telur, in the Caucasus, is probably the oldest person in the world. Recently she celebrated her one hundred and sixty-fifth birthday. Though she is now quite incapable of using her limbs, she is still in possession of her mental faculties.

### A Terrible Blunder

to neglect liver trouble. Never do it. Take Dr. King's New Life Pills on the first sign of constipation, biliousness or inactive bowels and prevent virulent indigestion, jaundice of stomach and bowels and build up your health. Only 25c at Pollock & Hennessy's.

### Take Note, Ye Housewives!

Queen Mary's pantry at Windsor is said to contain the most valuable collection of tableware in the world. Every reign since Queen Elizabeth's has contributed to the collection, which is stored in two rooms. The walls are lined with cases made of plate glass and mahogany, with similar cases occupying the center of each room. The most imposing thing in these two rooms is the dinner service of solid gold used only for dinners of the highest state. There is a table of solid silver three feet in length. A rose water fountain of silver has a dome supported on columns around which are grouped horses and hounds. A silver gilt flagon almost a yard high is said to have been saved from the Armada. A pair of bellows mounted in silver and gold was once the property of Nell Gwyn. There is a massive pair of fire-dogs in solid silver made for Charles II and a huge pinch bowl was contributed by George IV.

**Saved His Wife's Life**  
"My wife would have been in her grave to-day," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infalible for coughs and colds, its most reliable remedy on earth for desperate lung trouble, hemorrhages, lagrippe, asthma, hay fever, croup and whooping cough. 50c, \$1.00. Trial bottle free. Guaranteed by Pollock & Hennessy.
